Mr. James M. Crump, Secretary
Wellesley Amateur Radio Society

Dear Mr. Crump:

We have your request of May 20, 1969, for permission to use the easterly portion of the Town Hall grounds for a radio test exercise to be conducted on June 28 and 29, 1969.

We are pleased to advise you that we have voted to approve your request, having been given to understand that the Board of Public Works, in its capacity as the Park Commissioners, has no objection, provided the grounds are left in the same condition as when found.

Since these grounds have recently been declared park land in an opinion of Town Counsel, may we ask that you address any future requests for their use to the Board of Public Works.

Very truly yours,

SELECTMEN OF WELLESLEY
